

RAJKUMAR V

Aspiring Software Engineer | B. Tech Information Technology | Passionate Coder

Email: rajkumarv0607@gmail.com

Phone: 8015438507

LinkedIn: linkedin.com/in/rajkumar-v-209152938

PROFILE

To secure a role that allows me to apply my knowledge and develop professionally. Focused on continuous learning and improving performance.

TECHNICAL SKILLS

Programming Languages: Java, C

Web Technologies: HTML, CSS

Tools & Platforms: VS Code, SQL

EDUCATION

Bachelor of Technology (Information Technology) – 6.91 CGPA	2027
--	------

Muthayammal Engineering College, Rasipuram

Higher Secondary (12th) – 68.16%	2023
---	------

Sri Ram Matri Hr. Sec. School, Kambainallur

Secondary School (10th) – 100%	2021
---------------------------------------	------

Senthil Matric Hr. Sec. School, Dharmapuri

PROJECTS

Mini Project: Construction Management System

Monitoring construction performance in real time.

- Full-Stack Application Development – Architected and deployed a comprehensive construction management platform using React, Node.js, and MongoDB.
- Operational Dashboard & Tracking – Engineered real-time metrics tracking on the admin overview panel to monitor active construction sites and incoming business leads.
- Automated Payroll & Attendance Logistics – Built a Node.js backend feature to log daily worker attendance records and generate downloadable PDF salary reports.
- Scalable Database Management – Structured and optimized MongoDB schemas to efficiently handle and securely query interdependent datasets including worker profiles.

INTERNSHIP

Web Development Intern – IFAME INFOSOFT TECHNOLOGIES	2025
---	------

- Developed and deployed a Traffic Signal Management project with real-time features.
- Gained hands-on experience in full-stack development building and consuming REST APIs and developing responsive web UI using front-end frameworks.
- Integrated Arduino hardware with the backend to control physical traffic lights and implemented WebSocket for live no-refresh updates on the dashboard.
- Designed MySQL database using JPA/Hibernate to store traffic logs and analytics reducing simulated average wait time by 30% in testing.

WORKSHOPS

- Workshop on Quantum Computing – Organized by Sona College of Technology, Salem (2025).
- Successfully completed the "Vibe Coding Powered by AI" workshop conducted by Yellowmatics and Skill Development Solutions.

SOFT SKILLS

- Self-Motivated
- Team Player
- Adaptable
- Quick Learner

PERSONAL DETAILS

Father's Name: Venkatachalam S

Mother's Name: Suguna V

Date of Birth: 05.07.2006

Address: Dharmapuri,India

DECLARATION

I certify that the above information is true and complete to the best of my knowledge and belief, and I am responsible for its authenticity.

Date:

RAJKUMAR V
